

## Interested in getting hands-on experience with teens with selective mutism (SM)?

# Volunteer to be a WeSpeak mentor!

### What is WeSpeak?

- Behavioral group intensive in a stimulated school setting
- Systematically exposes teens to verbalizing/socializing in anxiety-provoking situations

### What do mentors do?

- Provide one-on-one scaffolding to assist with individual goals
- Receive training and supervision by Dr. Shelley Avny in working with this population

## Summer 2022 Session: 10-17 year-olds

- *Dates:* July 25-29 (lead-in sessions July 21-22; training TBD)
- *Location:* Princeton Jewish Center (435 Nassau St, Princeton, NJ 08540)  
*\*\*\*lead-ins and WeSpeak are in person; training can be virtual*

Graduate students, mental health professionals, and speech/language pathologists are encouraged to apply!

(we also welcome undergraduates with extensive SM experience)
